ALMOST SEVERS THREE FINGERS

EMPLOYEE OF MIZPAH MINE MEETS WITH AN ACCIDENT.

Herman Parker, an employee of the Mizpah mine, while assisting in removing a casting from a motor, was unfortunate enough to stumble, thus allowing the weight of the casting to drop upon his fingers. Three members of his right hand were nearly severed. A physician was summoned and the wounded hand dressed, and last night he was able to be about the streets. It is thought that the wounded fingers will heal and no bad results will follow.

FIRE FIEND IS AGAIN AT WORK

FLAMES DESTROY CABIN NEXT DOOR TO ONE BURNED LAST WEEK.

Another mysterious fire of undoubted incendiary origin called out the department to an unoccupied building next door to the tent house on upper Main street, which burned last Friday morning. Billy Walker, who was on his way home about 11 o'clock last night, noticed a light in the house and investigating, found the interior in flames. Speeding to the residence of District Attorney P. A. McCarran, the alarm was given by means of telephone and before the whistles from the various mines had sounded the general alarm, the department had its hose attached to the hydrant and water was being thrown upon the burning building. The fire had made such great headway that it was impossible to save the building or its contents.

Chief Malley immediately issued instructions to the police department to have the men patrol the alleys and streets in the business section for fear of a repetition of last week's safe blowing.

From what could be learned last night it is believed that the house belongs to a party named Powers, who at present is out of the city.

PREPARING FOR FOURTH OF JULY

CITIZENS PREPARE TO CELEBRATE DAY IN FITTING MANNER.

A meeting will be held next Monday night at which representatives from the Miners' Union, the Order of Eagles, and a committee from the Elks, together with prominent citizens and members of fraternal organizations will be present to discuss ways and means for the proper celebration of the Fourth of July. People having the matter under consideration propose that the coming Fourth will be celebrated in a manner that will long be remembered by the citizens of Tonopah.

AMATEURS PUT UP FINE SHOW

Last night was amateur night at the Butler theater and everyone attending speaks in the highest terms of the merits of the performers. The famous patriotic melody, "In the Good Old U. S. A.," was very well rendered by the Misses Grace and Bertha Cavanaugh. The little ones were heartily applauded and certainly deserved it. "Red Wing," the famous Indian song, was rendered exceptionally well by Miss Norma Hudspeth. Miss Norma has appeared before and is improving rapidly. She was called back for an encore. Miss Fern Hudspeth rendered the "Dummy Love Song" in a very pleasing manner. While her voice is not very strong it is possessed of exquisite sweetness. She, too, has appeared on numerous occasions and of course was loudly applauded. Miss Susie Berry rendered her favorite "Crocodile Isle" in a style that would do credit to any performer. Miss Susie has a voice well adapted to the stage and besides is very cute in her gestures, which are very original and pleased every one. She also was forced to render an encore. We cannot speak but in the highest terms of the performance and only hope they will continue.

MANHATTAN IS LOOKING GOOD

R. C. MOORE PAYS VISIT TO THE NORTHERN CAMP.

R. C. Moore, in company with the Forman brothers, returned from a visit to Manhattan and Belmont yesterday. Mr. Moore was much pleased with what he saw at Manhattan in the limited time he was there. He paid a visit to the Earl Mining Company's ground, on which he, with others, has a lease. They are working quite a few men and are going after the ore in a rapid manner. He says that the people of the northern camp are much encouraged over recent developments and look for a good output this season. With the mills grinding steadily and the bullion that is coming out daily there is no doubt in his mind that Manhattan will soon be a much talked of camp.

MEAT MARKET'S NEW DEPARTMENT

The Tonopah and Goldfield meat market has added a new department to its already complete store. A fine stock of selected fruits and vegetables will be on hand fresh every morning, coming in by express. The company has repaired the damage inflicted by the late fire, all vestige of which has been removed by a coat of paint. The colors are pure white, trimmed with turkey red, and the store presents a most attractive and pleasing appearance.
